## How to Determine Pre- & Post- Judgment Interest Rates in 2016

- 1. Is there a contract that sets the interest rate? If not, go to #2.
- 2. Is there a statute other than AS 09.30.070 that sets the interest rate? If not, go to #3.
- 3. When did the cause of action accrue?<sup>2</sup>
  - a. <u>Before August 7, 1997:</u> Both the pre- & post- judgment interest rates are 10.5%<sup>3</sup>
  - b. On or After August 7, 1997: Both pre- & post- judgment interest rates will be the interest rate for the year in which the judgment is entered. For judgments entered in 2016, this rate is 4%.

Note: After the interest rate on a particular judgment is established, it does <u>not</u> later change, even though the interest rate changes. For example: The post-judgment interest rate on a judgment entered in 2001 is 9%. That rate will stay 9% until the judgment is paid. It is not affected by the fact that new judgments entered in 2016 will have a 4% interest rate.

- Examples of other statutes that set interest rates:
  - AS 25.27.025 child support arrearages
  - AS 06.05.473(h) claims upon liquidation of a state bank
  - AS 09.55.440(a) compensation for property taken in eminent domain proceeding
  - AS 13.16.475(d) claims against decedent's estate
- Accrue. In general, a cause of action "accrues" when a suit may be maintained thereon, that is, when sufficient events have occurred to support a valid lawsuit (for example, when injury or damage occurs or when a contract is breached).
- See §§ 18 and 55 ch 26 SLA 1997 and *Marine Solution Services v. Horton,* 70 P.3d 393, 415 (Alaska 2003). The interest rate is 10.5% if the complaint was filed on or after July 1, 1980. If the complaint was filed before that date, a different rate applies.
- This rate is defined in AS 09.30.070(a) as "three percentage points above the 12<sup>th</sup> Federal Reserve District discount rate in effect on January 2 of the year in which the judgment or decree is entered." (Note: The telephone number for the 12<sup>th</sup> Federal Reserve District in San Francisco is (415) 974-2000. Discount rate information is also available at the following website: <a href="http://www.frbsf.org/banking/discount-window/discount-rate/">http://www.frbsf.org/banking/discount-window/discount-rate/</a>
- <sup>5</sup> The discount rate in effect on January 2, 2016 was 1 percent. The rates for prior years were:
